This is it: the 1988 edition of Reflections. As editor of Reflections I wanted this yearbook to be as fun as the 1987-88 school year itself. We've changed the annual a little to keep up with today, but Reflections is still our greatest memory of yesterday.

Now as you go on to Craig's comments about this yearbook, just remember that you are part of Reflections, some of the excitement you had at HHS is captured on the other side of this page. So enjoy the rest of the yearbook and keep up that BULLDOG SPIRIT.

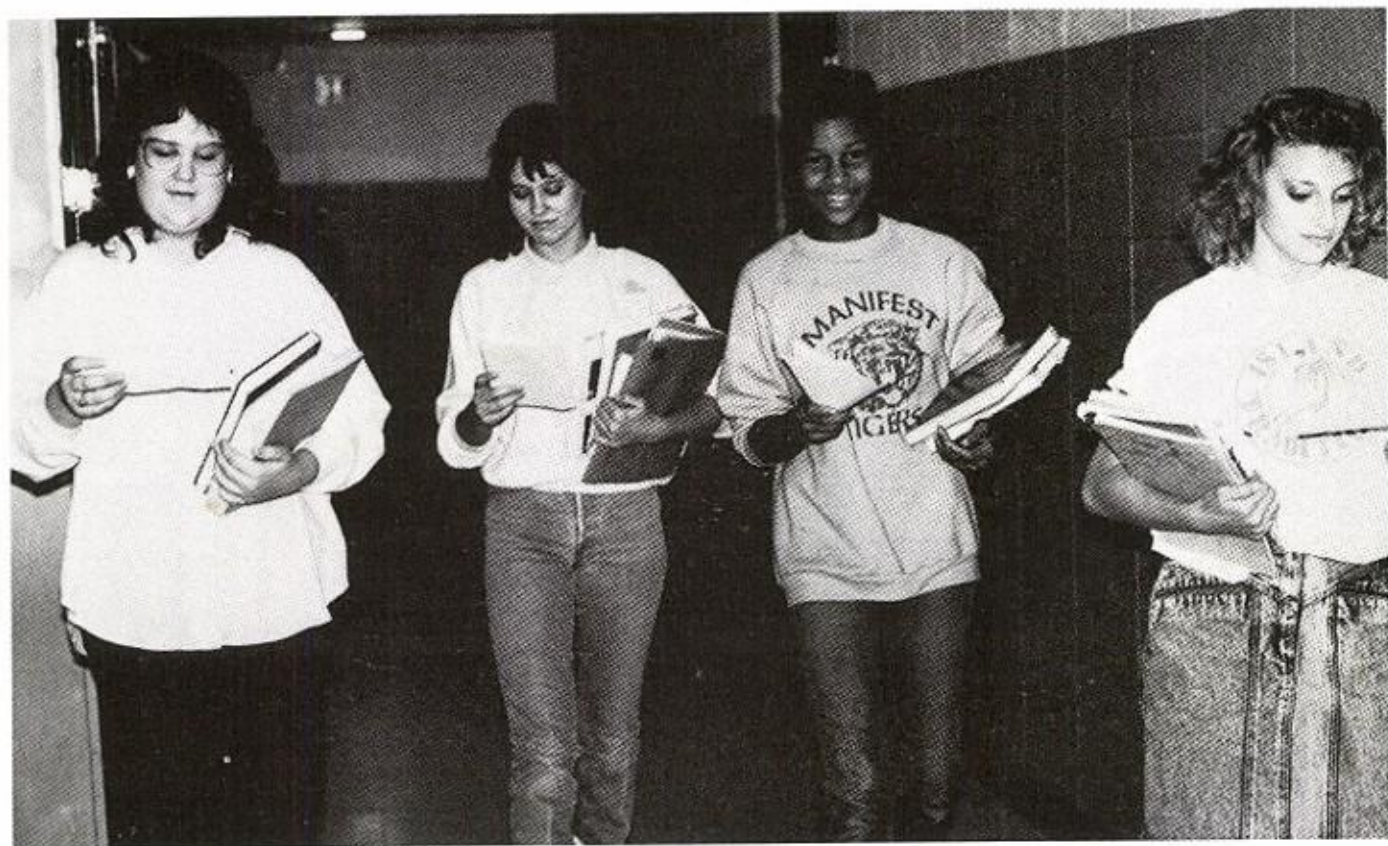

Craig Mayo

Only a couple of weeks have passed of the school year and there you sit, gazing out the classroom window with visions of the weekend dancing in your head.

We've put together photos which will serve as a pictorial record of the 1988 school year at H.H.S.

Join us on this journey and take a close-up view of life at H.H.S.

As Work Becomes Play

Turning a Task Into a Toy

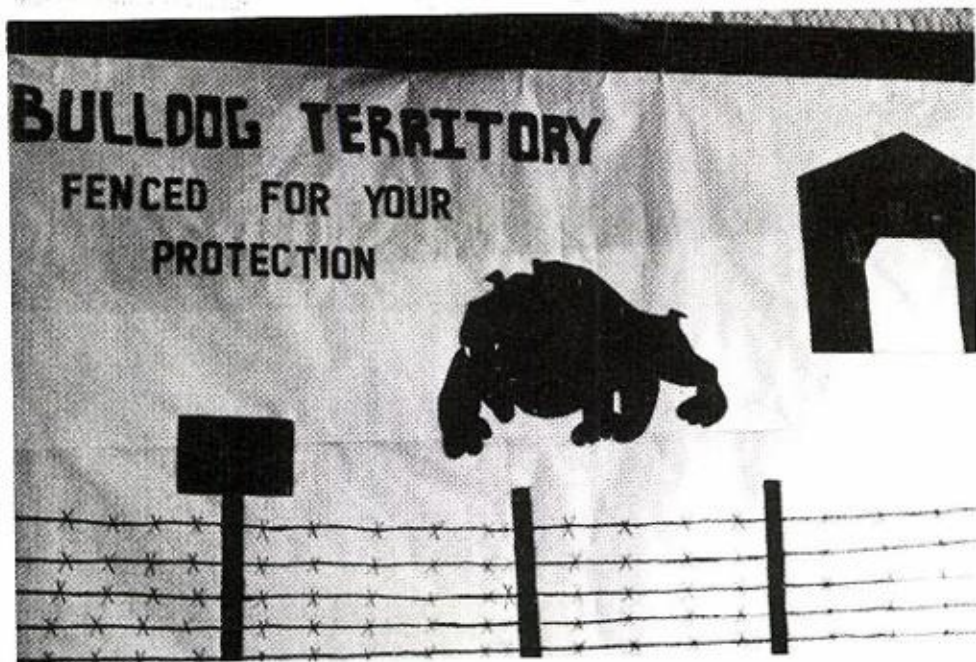

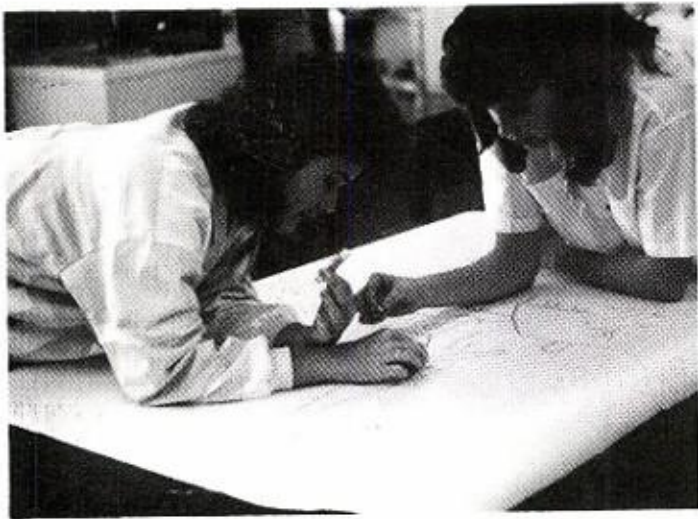

Even a simple picture of hands turned out to be a battle of the knuckles as Juniors sought to "lend a helping hand." And while working on the banner and bulletin boards, we discovered that, in order to be successful on this project, you can't be too serious!

Making the Best of It

The excitement and disappointment of ballgames blend with the relaxed atmosphere of club parties and everyday life at H.H.S. We know the friends we have now are truly for life.

We have our Good days ~

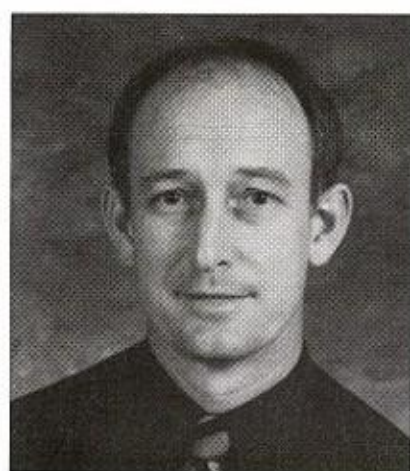

And we have our Bad days

But Our Good days-

Truly outnumbered

Ramona Lea Sanson is Miss H.H.S. for 1988. Mona has represented our school locally as well as state-wide through 4-H, Girls' State, and various other events. She has won honors at both district and state rallies and has been selected to the esteemed "Who's Who" at HHS for four years. Good luck in the future, Mona.

Our 1987-88 Mr. H.H.S. is Jonathan Craig Mayo. Craig has always displayed a bright smile to his fellow students and kept a great sense of humor around all of his friends. Craig has been an outstanding player on the H.H.S. baseball team during his 4 years at Harrisonburg and has remained class vice-president for his junior and senior years. Craig has contributed much to Harrisonburg High School, and we all wish him happiness and good fortune in his future.

Academically —

Barely escape their last English. Take only the classes necessary and leaves as soon as that fourth period bell rings.

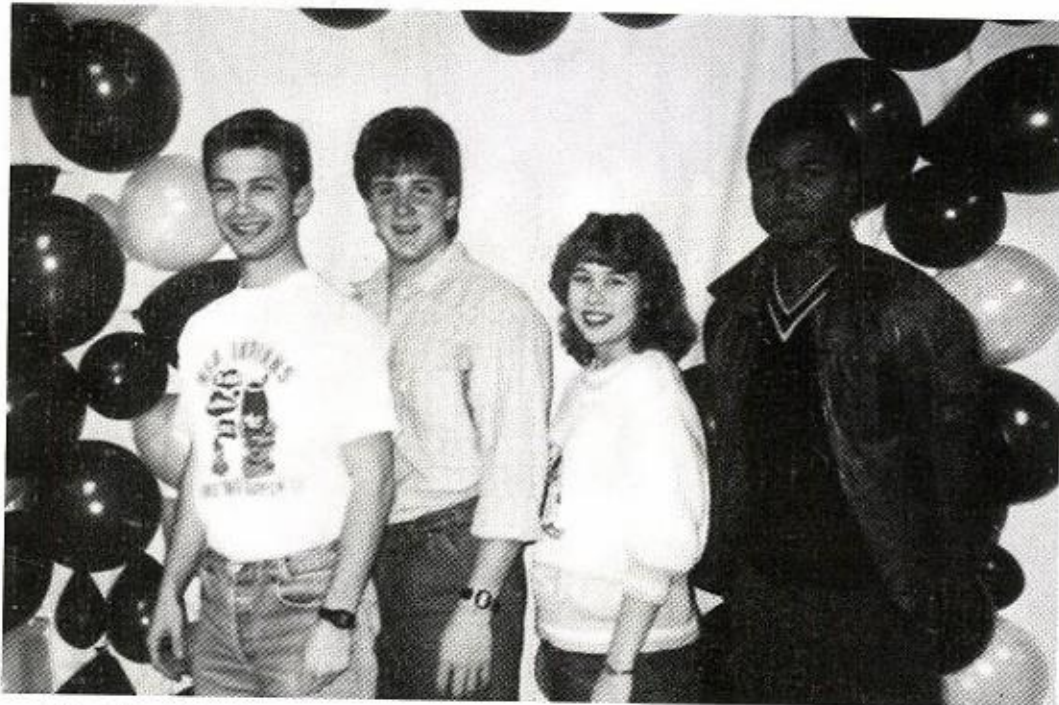

Socially —

Guys nervously make plans with Uncle Sam. Finish out the year and close the "Final Chapter" on May, Friday the 13th.

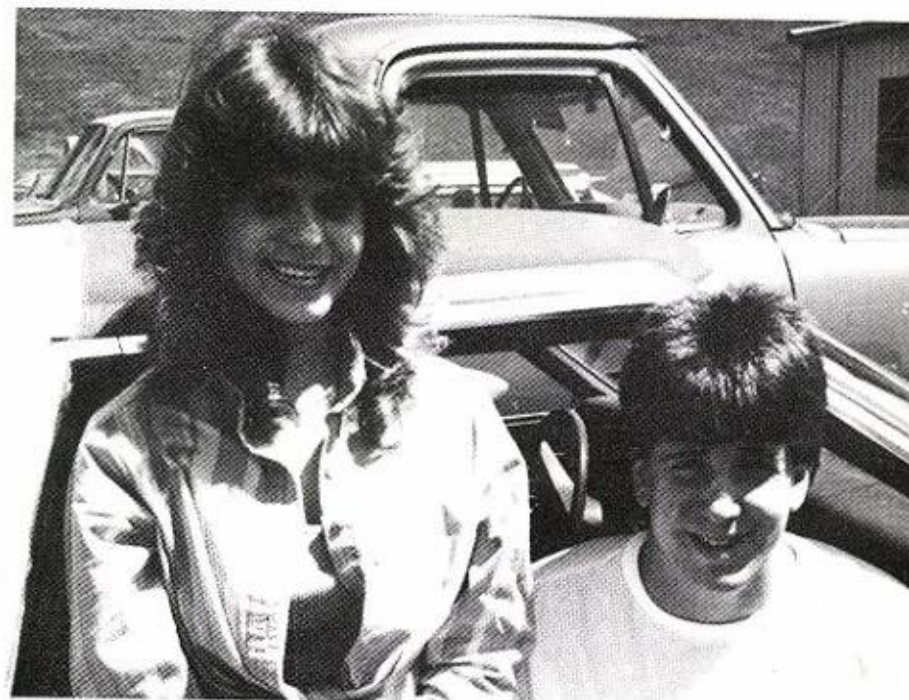

Emotionally —

Sweaty palms and nervous stomachs are frequent when thoughts of future finances come to mind. A tear is shed for each good memory of their final year in high school.

Liddier Hatten

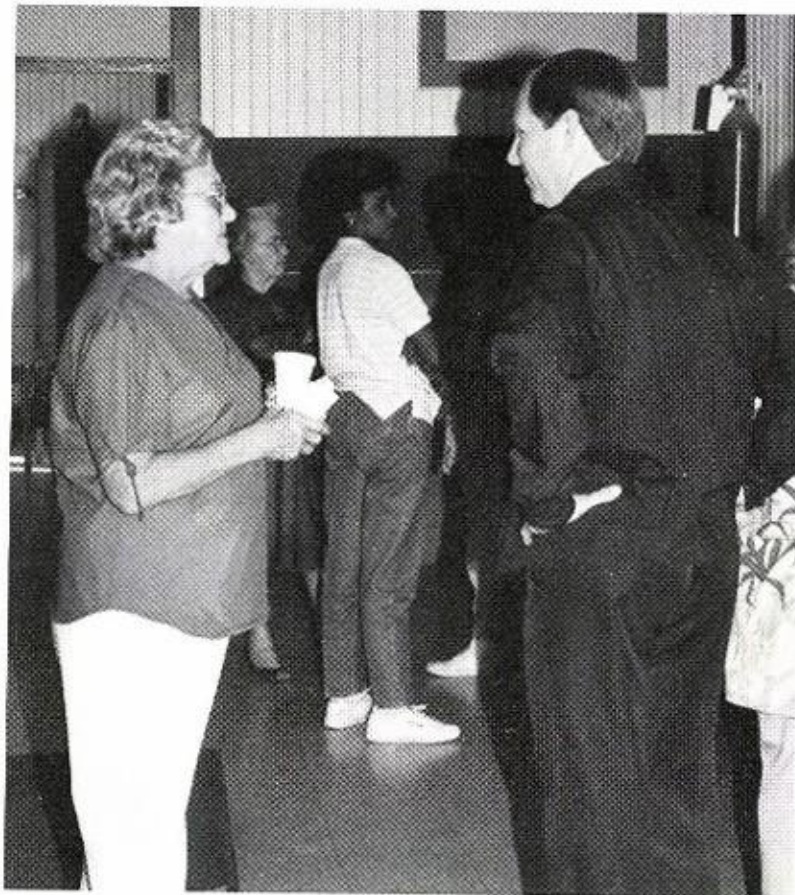

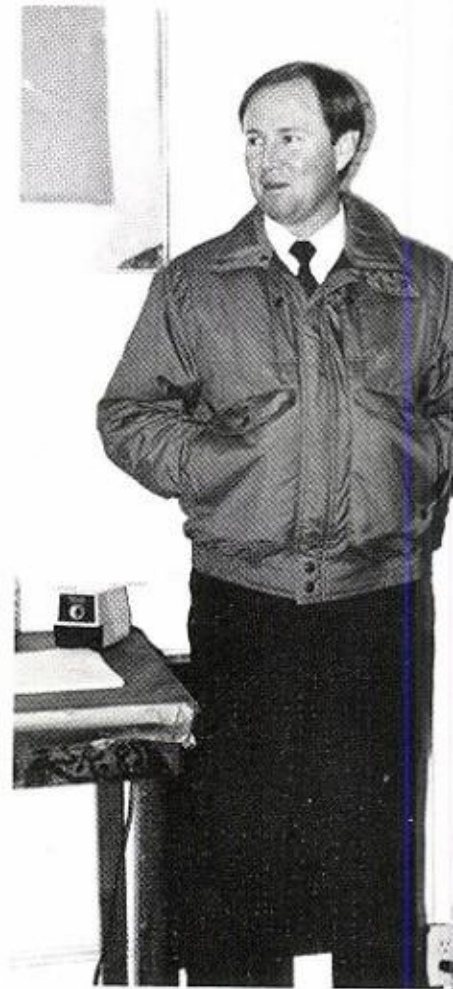

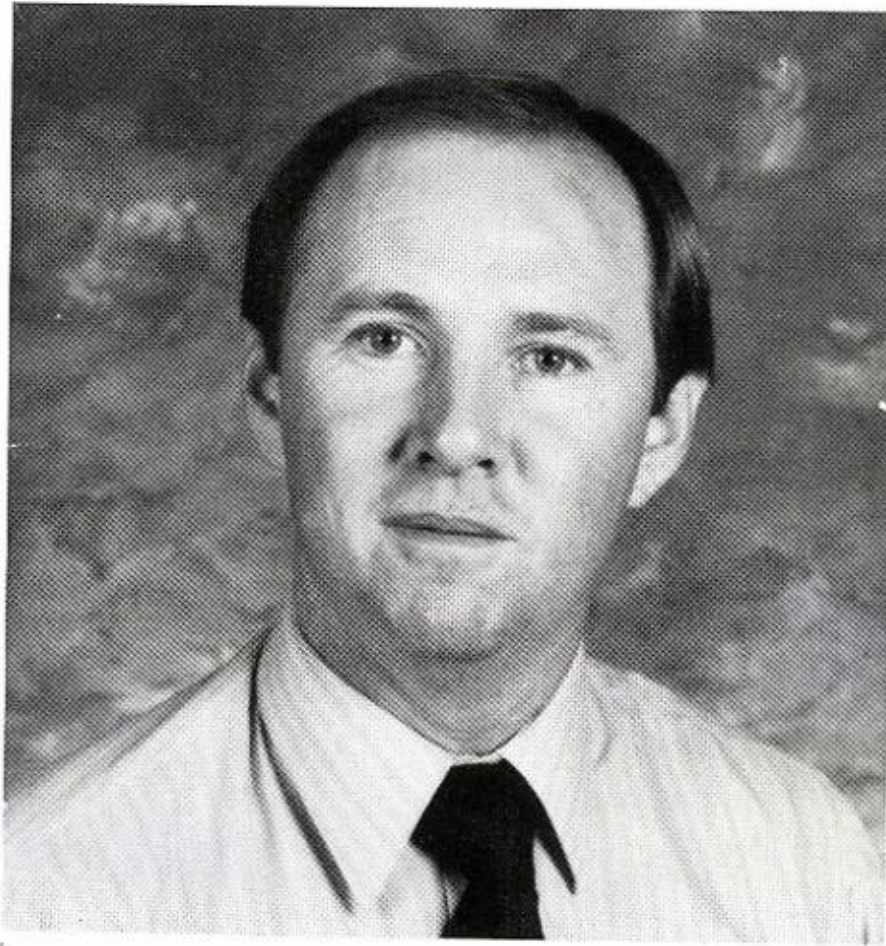

Today I smiled, and all at once
Things didn't seem so bad.
Today I shared with someone else,
A bit of hope I had.

Today I loved a little more,
I tried to do my best.
And in the giving of myself,
Forgot my weariness.
